A Resolution to Amend Article Three, Section Four of the Bylaws

After much deliberation, the CENTRAL COMMITTEE of the SOCIALIST RIFLE ASSOCIATION has decided to add an additional tier of membership, to be termed “Lifetime Membership.” This tier shall provide members the opportunity to provide the organization a one time payment for purposes of establishing a lifetime membership within the SOCIALIST RIFLE ASSOCIATION. This membership shall not require renewal and shall be nontransferable. The monetary amount shall be set at no less than two hundred and fifty dollars.

RESOLVED, that the language of Article Three: Membership, Section Four: Dues shall be amended to as denoted:

//BEGIN AMENDMENT//

There shall be three tiers of dues paying membership: annual membership, sustainer membership, and lifetime membership.

Annual membership shall be the default membership of the Socialist Rifle Association and shall entitle the member to all rights, privileges, and services provided to members of this organization. The dues of annual membership shall be set at twenty-five dollars (\$25) per calendar year, to be renewed on the date of initial application of membership. The amount and renewal period of annual dues may be changed by unanimous consent of the Central Committee or by a three-fifths vote of the membership. A member in good standing is considered to be up-to-date on dues within the past thirty days.

Sustainer membership shall be the second membership tier. Annual members may become sustainer members by paying either five dollars (\$5), ten dollars (\$10), fifteen dollars (\$15), twenty-five (\$25), or fifty dollars (\$50) per month . The existence of this tier shall not imply or denote any lesser rights, privileges, or services on annual membership.

Lifetime membership shall be the third membership tier. Members may become lifetime members by paying two hundred and fifty dollars (\$250) as a one time payment. A lifetime member shall not be required to renew their dues to maintain their good standing as a member. The existence of this tier shall not imply or denote any lesser rights, privileges, or services on annual membership beyond what is enumerated in this paragraph.

Upon two-thirds majority approval of the Central Committee, a member’s annual dues may be waived for one renewal period after a petition of financial hardship of the applicant member or a representative of the member.

//END AMENDMENT//

RECOGNIZED, that unanimous consent of the CENTRAL COMMITTEE shall be sufficient to pass this amendment of the Bylaws.
